

MADISON MAN NAMED ON COMMITTEE

Judge Shackelford Unanimously Chosen To Represent District on Resolutions Committee

(By Associated Press)

Louisville, Ky., Sept. 4—Judge W. R. Shackelford, of Richmond, will represent the Eighth Congressional district on the resolutions committee which will write the party's platform, at the democratic state platform convention in session here today.

Judge Shackelford was selected by unanimous vote at the 8th district convention, which met at 10 o'clock this morning. Charles F. Montgomery, of Casey county, was chairman of the district convention; Jay Harlan, of Boyle, vice chairman, and Stites Milton, of Mercer, secretary. Judge Ralph Gilbert, of Shelbyville, was placed on the organization committee for the Eighth, and Frank Ripy, of Anderson county, on credentials.

Democrats from all over Kentucky are here by hundreds. Predictions are made on all sides that the splendid ticket headed by Gov. Black, will win by an old time majority. No endorsement of the personal administration of ex-Gov. Stanley will be made, according to early reports, the state convention confining itself to endorsement of the legislative acts which carried out the last platform pledges.

Indications are that the federal suffrage amendment will be endorsed, since President Wilson has personally requested it, though a great many delegates seem to feel that this is a question which should be submitted to the poll of the people.

Madison county's delegation is rather small, consisting of Judge Shackelford, S. M. Saufley, J. R. Dunbar, Elmer Deatherage, R. E. Turley and others, but they are on the job all the time.

Resolutions Committee

Burns Midnight Oil

Louisville, Sept. 4—The Democratic State platform convention was called to order at noon today by Judge Charles Hardin, chairman of the Democratic Central Committee. The program for the first session was to complete the organization and adjourn until night to hear the reports of various committees. Election of Judge John Carroll as permanent chairman, will be delayed until that time. Meanwhile the resolutions committee worked nearly all night on recommendations.

In his address temporary chairman Barkley asserted the party stands on its records in the coming state campaign and praised the achievements of the state and national administrations.

NORMAL OPENS

TUESDAY, SEPT. 9

The Fall Term of the Eastern Kentucky State Normal School opens next Tuesday, September 9th. The prospects are good for an opening judging from reservations in the dormitories. The Junior College course is proving very popular and a big class will enroll on Monday, September 8th and continue until completed. Every member of the faculty will be at his post next Monday morning at eight o'clock.

The Model School will enroll on Tuesday morning, September 9th. The Model faculty will assist in the enrollment of the Normal School on Monday. The usual method of enrollment in the Model School will be followed, the only change being in the handling of some of the minor details. Parents are requested to have their children report promptly at eight-thirty Monday morning.

The Rural Department of the Model School will be enrolled by Miss Miriam Noland in the building in which it is located formerly the library building.

C. S. Lyon, the Hanging Fork miller, has sold his mill and home property on the Stanford pike, five miles from Danville, to D. Ball, of Garrard county. Price \$4,000. Mr. Lyon has previously sold the machinery for \$1,700.

Miss Hazel Moores is visiting friends at Campbellburg.

THE MARKETS

Louisville, Sept. 4—Cattle 300; slow and unchanged; hogs 2,800; steady to a quarter lower; tops \$19; sheep 600; steady and unchanged.

Cincinnati, Sept. 4—Hogs a quarter lower; Chicago slow; Buffalo \$1 lower; cattle slow; lambs steady.

SHOPMEN AWAIT INVESTIGATION OF H. C.

(By Associated Press)

Washington, Sept. 4—While the railway shopmen have declared by an overwhelming majority the wage advance offered by President Wilson is not acceptable as a basis for settlement of their demands, they have decided to leave the question of the strike in the hands of their international officers, is was officially announced today. The strike vote will not be put into effect until the outcome of the government's efforts in reducing the living costs becomes apparent.

Car Strike About To Be Settled

(By Associated Press)

Louisville, Sept. 4—Rumors advised again today that the street car strike will be settled within 24 hours. Meanwhile service in the city continued with strike-breakers and service on two interurban lines was resumed. During the night on the city lines in the west end section, a trolley wire was torn down and the switches plugged by vandals.

Reds Murder People

(By Associated Press)

Constantinople, via London, Sept. 4—The Bolsheviks executed more than a thousand persons before they evacuated Yekaterinostav in Southern Russia, according to a dispatch received here, which declared the victims' heads were crushed with hammers.

Yanks Take More Territory

(By Associated Press)

Coblentz, Sept. 4—Marshal Foch has decided upon the extent of territory in Rhineland to be held permanently by the American forces. The area will be twice as large as that which has been under the American jurisdiction since the last combat division left for home.

Resolutions Referred To Senate

(By Associated Press)

Washington, Sept. 4—Bulletin—The final action on the peace treaty by the Senate Foreign Relations Committee late today was planned by republican leaders. It was proposed that the resolution of ratification, including reservations, be adopted and the treaty was ordered reported to the Senate.

WILL VOTE AGAINST RATIFICATION OF TREATY

(By Associated Press)

Paris, Sept. 4—Bulletin—Paul Minstrel, minority socialist, during a debate today in the Chamber of Deputies on ratification of the peace treaty with Germany, declared he and his party of about 35 members, would vote against ratification.

AUSTRIA GRANTED TWO MORE DAYS

(By Associated Press)

Paris, Sept. 4—The Supreme Council of the peace conference has granted the request of Austrian-peace delegation for two days delay for presenting the Austrian answer to the peace terms.

McNabb Wounded By Mexicans

Washington, Sept. 4—The American airplane which was fired on Tuesday by Mexicans "was at no time over in Mexican territory," according to official advice received here today by the War Department. Mexican officials claimed the machine crossed the international boundary when the Mexicans opened fire and wounded Capt. McNabb.

If the initial sales of tobacco are any indication, the prices for the weed to be paid the coming season will be much higher than last winter. A sale was made on the streets of Frankfurt of an entire crop at 60c per pound, leaf, bugs and all.

Piano Boxes at \$2 each to the first ones who call. These are bargains. Muñey Bros. 2t

ROBBED WHILE ASLEEP IN COURT HOUSE YARD

Jesse Webb, of Estill county, who has been coming to Richmond this season with large loads of fine watermelons, had a sum of \$12.75 taken from his pockets last Friday night.

Mr. Webb came to town late Friday evening with a load of melons, in order to be ready for business bright and early Saturday morning. After feeding and tying the horses, he crawled beneath the platform in the court-house yard which has been used for the Sunday night open air meetings by the ministers of the town, and proceeded to take a night's rest. Having lost sleep for several nights previous, he slumbered unusually deeply this night, and when he awoke the next morning found that he had been relieved of \$12.75. Several men standing around the court-house Friday night, informed Webb of two colored boys whom they had seen hanging around the platform that night, and Webb swore out warrants for their arrest. In Judge Murray Smith's court Saturday the boys denied having taken the money, and were released.

Mr. Webb informed a representative of the Register Thursday morning, that he had heard no more from the stolen money, and had given up the hope of ever recovering it.

16 Ounce Loaf For 9 Cents

The Kentucky High Cost of Living Commission, which met in Louisville, Tuesday, fixed the price of nine cents for a sixteen ounce loaf of bread. It is said by the commission that some dealers have been charging ten, eleven and twelve cents for bread weighing thirteen and fourteen ounces to the loaf.

The commission announces that it now proposes to turn its attention to profiteering restaurants, cafes, hotels and boarding houses.

Presbytery In Session

Presbytery is in session at Paint Lick this week, and quite an interesting program is being held. Rev. R. L. Telford, Dr. Addison Smith, Prof. and Mrs. S. S. Myers were in attendance Wednesday, and report true Kentucky hospitality given the delegates by the good people of the Paint Lick section.

Reds Win Three Out Of Four

Those Cincinnati Reds made it three games out of four from Chicago yesterday, when they won by 6 to 1. The Reds are now leading in the National League with a percentage of 60, and are certain to be a contestant in the world's series.

Record Attendance At Fair

Officials of the Blue Grass Fair announced the second largest crowd on Wednesday when 10,000 persons were on the grounds to witness the wonderful exhibits being shown. John Shell, the oldest man in the world was one of the feature drawing cards at the fair, and talked to hundreds of visitors during the day. Old Mrs. Ann down at Clay's ferry has been constantly busy this week collecting toll from motorists in this county who are taking in the fair.

Aged Citizen Dies

Mr. James Taylor died at the home of his brother, Mr. Colby Taylor on Lancaster avenue Tuesday evening. He is survive by one sister, Miss Jennie Taylor and one brother. Funeral services conducted Wednesday afternoon by Dr. R. L. Telford, burial in Richmond cemetery.

Madison Farmer Honored

Mr. Harvey Chenault has been appointed delegate from Madison county to the Farmers' Congress which meets in Kansas City September 25 to 27. Mr. James H. Baughman, has been appointed from Boyle county, both of whom will be splendid representatives.

WATCH FOR RUB-NO-MORE COUPON

For complete satisfaction use Rub-No-More Naphtha Soap, Washing Powder, Soap Flakes and Spotless Cleanser. Ask for Rub-No-More at all Grocers. 234-1.

CHRISTIANS PLAN BIG REVIVAL HERE SOON

Plans are being perfected for a two weeks meeting at the First Christian church to begin the latter part of September. Rev. E. E. Violette, of Kansas City, will assist the local forces in what promises to be a meeting of great significance. Mr. Violette is one of the most successful and widely known pulpiteres in the country and has led many of the best churches of the Disciples of Christ in successful evangelistic campaigns. He was the director of the Speakers Bureau in the great central district during the war campaigns, and is perhaps the most widely travelled minister among his people. His world travel and familiarity with world conditions will bring him to Richmond with a message peculiarly fit for such a time as this. An author of recognized ability, he is a splendid leader of music and one of the most forceful pulpiteres in America.

Since Mr. Carpenter's return from Lake Chautauqua, the machinery of the local church is all being put in tip top condition for a great meeting. Within the interim a religious census will be taken and all the forces put in readiness. It is hoped that the meeting can be made to serve, in a large way, not only the other churches but all the interests of the community.

ATTENDING CONFERENCE

Rev. M. T. Chandler, Rev. J. A. McClintock, and Mr. Walter Q. Park are in Shelbyville this week to attend the annual conference of the M. E. Church, South. Dr. Chandler's congregation are exceedingly anxious that he be sent back to serve another year. It is thought probable he will be sent into the field as presiding elder. Dr. Chandler has made many friends here with every denomination and it is earnestly hoped he will return for the limit of time allowed in one territory or even longer. Dr. E. G. B. Mann, of Lexington, who is here very frequently en route to his duties at Irvine, will not be sent back, it is said, in a dispatch from the Lexington Herald Thursday morning.

EIGHT YEARS USE PUTS LALLEY LIGHT IN PROVED CLASS

Reliability of Well Known Electric Light and Power Plant Assured Because of Many Years It Has Been Used

It is a fact, too well known to be questioned, that every piece of moving machinery must be tested by owners in every kind of circumstance before its absolute reliability is assured. The best engineers, with the biggest reputation with millions of dollars behind them, may design what appears to be a wonderfully fine piece of machinery, on paper, but when the ultimate consumer gets hold of it, he brings out the "bugs" in a manner the skilled engineer never thought of.

This is one of the reasons why Joe Bender the well known local dealer for Lallely Light plants, experiences no difficulty these days in selling them to progressive farmers. The farmers of Madison county are discriminating judges of quality, and they know that among the thousands of Lallely Light plants in daily use, many of them have been operated from four to eight years and are giving as good, or better service today than they did when installed.

Not only in the United States are Lallely Light plants used—they are installed by the hundreds in Australia, New Zealand, South Africa, in every country of South America, in Europe and even in far northern Iceland. And they have stood the test in all these countries.

It certainly pays, when purchasing an electric light and power plant, to get one that has been tried out for many years, and is giving satisfactory use in so many different kinds of climates all over the world, that there can be no question about its serviceability.

Miss Evelyn Norris is visiting friends in Lexington and Nicholasville.

THE WEATHER

Partly cloudy tonight; Friday fair; little change in temperature.

PRESIDENT WILSON SPREADING IT ABROAD

(By Associated Press)

Columbus, O., Sept. 4—President Wilson in opening his country-wide speaking tour for the peace treaty, declared in his address here today his purpose was to "go out and report to my fellow countrymen."

The President spoke in an auditorium jammed with a crowd of 4,000, and was frequently cheered. He said the treaty undertook to punish Germany but not to crush its people. He declared the League of Nations as formed fulfills the promise the United States fought the war for "to end business of that sort" forever and not to establish a league, he said would "be unfaithful to those who died." He said the associated league is "the only thing that can prevent a recurrence of this catastrophe." He said "it also tears away the chains of oppression and gives small nations the right to live their own lives. Referring to criticisms that the treaty violated American traditions, says he followed the purposes of the vision the Fathers had seen and that it was an "attempt to right the wrongs of Europe" and was a "measurable success."

The President said the treaty also contained the "Magna Charter of Labor, setting up international labor organizations which he said, should have been provided long ago. He appealed to his hearers to exert their influence for acceptance of the treaty and "don't let men pull it down." He said "don't let them misrepresent it."

"When this treaty is accepted," he declared, "men in khaki will never have to cross the seas again. And I say when it is accepted because it will be accepted."

LACK OF BOOKS HURT COUNTRY SCHOOLS

Action of the County Board of Education Monday in agreeing to pay the tuition of county pupils who are living much closer to the city high schools than they do to any of the county high schools was one of the features of the Board meeting. Entrants from the county will take a special examination before the city board of examiners. There were 14 from the county enrolled in the city schools Tuesday. Supt. Paynes and Hon. John Noland, representing the city board, appeared before the county authorities and entered into this arrangement with them, which will undoubtedly prove for the best interests of all concerned.

The county board elected Miss Mary Earle Griggs to succeed Miss Lena Hart, resigned at the Union City High School.

It was decided that where country teachers were losing some time each day, that they be notified that they must make up the time, or have deductions made from their salaries. County Superintendent Edwards was instructed to notify them to this effect.

In view of the fact that the Bearwallow school is crowded beyond its capacity, the pupils of the 7th and 8th grades were transferred to the Kingston high school. There are over 90 enrolled at Bearwallow already.

Reports from all over the county are that there is a large attendance. Much delay and trouble is being experienced on account of the lack of the new books, adopted by the State Text Book Commission.

Miss Mary Miller, of Tracy & Co., Millinery, invites you to Fall Opening September 12 and 13. Their display includes an exclusive line of Edson Keith pattern hats, also the season's smartest models in tailored and other pattern hats. 233 whmtwh

COUNCIL TO SETTLE POLE MATTER TONIGHT

City Fathers Have Much Business of Importance Before Them At Regular Session

Final settlement of the pole on Main street question may be made at the regular meeting of the City Fathers here tonight. An ordinance was laid over at last meeting until tonight when it will be called. Councilman William O'Neil announced at the August meeting that he will call out this ordinance for final action at the September meeting.

The question of what proposition the Cumberland Telephone and Telegraph Company is to offer the city has not yet been announced. It is thought probable that representatives will go before the council tonight to make known the company's proposition in regard to furnishing better service to the people of Richmond in consideration of being allowed to retain the higher rates which were put into effect during the government's control in war time.

So far the Kentucky Utilities Company has made no proposition regarding removal of its poles from Main street. When the Council passes the pole removal ordinance, as it seems certain to do, some action will have to be taken by the lighting and power company. The White Way movement will undoubtedly be set on foot at once and pushed so that it may be completed before the streets are ready for paving.

The Council meeting tonight promises to be quite a busy session, with these matters before it.

Mrs. Caperton Elected President of C. M. B. M.

The regular meeting of the C. W. B. M. was held in the Christian church parlors Wednesday afternoon. Business session was first on the program, with Mrs. J. W. Arnold presiding. Election of officers being the first matter of business, Mrs. James W. Caperton was unanimously elected president to succeed Mrs. J. W. Arnold. The society felt quite fortunate in the selection of Mrs. Caperton, who is so thoroughly capable in every way and has always taken a deep interest in the work and it is no doubt much good will be accomplished under her leadership. Mrs. Arnold, the retiring president, has been gratified with the work done the past few years and it is with regret they give her up after two or three years of faithful service. The other officers were retained for another year. Quite a number of the members signified their intention of attending the International Conference to be held in Cincinnati in October.

Conference Begins At Shelbyville Wednesday

The annual Kentucky Conference of the Methodist Episcopal Church, South, will meet in the Centenary Methodist church in Shelbyville, Wednesday morning, September 3, and continue in session through the following Sunday. Bishop Collins Denny, Richmond, Va., will preside. There will be 225 credited delegates.

The conference will meet each morning at 9 o'clock and adjourn at noon. Evangelistic services will be held each afternoon at 3 o'clock and the different conference boards will hold their annual meetings in the evenings, when open-air services will also be conducted.

Bishop Denny and his cabinet will arrive Monday and the other delegates Tuesday afternoon of Wednesday morning. A preliminary service will be held in the Centenary Methodist church Tuesday evening at which the Rev. W. V. Cropper, missionary secretary will preach.

The Kentucky Conference area comprises about one-fourth of the State and represents a membership of 35,000 with 150 ministers.

The delegates will be entertained in the private homes and the \$1,400 which the conference appropriates for their entertainment will be donated to the Shelbyville King's Daughters' Hospital.

BREAK the monotonous change of your daily menu by ordering a supply of fresh fish for your dinner. This is fish season, and when you order fish you're bound to get a fresh supply. Neff's Fish & Oyster House.
